“ Megan, so sorry for your loss and Jerry I'm sorry for your loss and thank you so much for letting me know Debbie was such a sweet person. She was just a teenager when I had the pleasure of working with her at FII as a summer student for college. She volunteered to help us make a safety film called the Dukes of Hazard and she played the old Daddy with a beard a belly an overalls on and she was great! I will truly miss her and I will be praying for the family. Heaven gained an angel for sure.
