“ I have known Janice all my life, it seems. Rae and I met in Kindergarden at Springfield Central School. We also traveled all the way through school to Graduation. we spent many hours after school playing together. Dennis and I visited the Historical Society Room where any question we had about the town of Springfield was always answered by Janice with added information. The best memories I have of Janice were when we were doing Red Hat activities together. The year we were on a float in the 4th of July parade. can still see her laughing with us! Rae, our thoughts and prayers are still with you as they have been for many years. Sure wish we lived closer. Friend for life, Love you all, Jeanette and Dennis Dorn

“ Janice was a dear, sweet friend for many years. We attended church with her for many years. She was a Sunday School teacher for both of my sons. Clyde and Janice were such a special couple to our family and will be dearly missed. I will miss her long letters but I'm happy to know she is in Heaven with our Savior!

“ To this day, my daughter, Tracy, enjoys the pleasure of playing the piano, lessons learned from Janice. When, as an adult, I tried to learn, Janice was so patient even when we both knew it was not going to happen. Janice was a very dear friend whose companionship I have missed for a long time now. With God's blessing, she is at peace.

Much love, Suzanne
