“ Seems like a lifetime ago that I worked with both Jayne & Dale at Clyde A. Short, but what memories I have of these two wonderful people. They, along with Dale's cousin Max Walker were some of the best & nicest co-workers & friends I ever had the honor of working with. None ever had a harsh word to say, always happy, loving & there for all of us. I've missed them all. Our old world is just a little dimmer without their light. May Dale & Jayne's daughters know forever they were absolutely the most wanted babies on the face of this earth and no parent could have been more proud. May you find peace in your sweet memories and comfort knowing these fine people now walk with the angels and have seen the face of God. Blessings.

When we were kids, Jayne came to our house every year to spend the summer. I will always remember how much fun we had putting on "recitals", going to the dime store, walking to High's Ice Cream store and that laugh that was contagious. I will miss you my Sister Cousin.
