“ Wesley Kiser is my hero. I met him when Pearl was at SP. His love and devotion to her was so beautiful. He was such a loving and humble man who truly lived his Christian faith. I loved hearing him talk about the early years of his life including WW2 and the early years of his life with Pearl. I will miss him but I know he and Pearl are having a joyful reunion in heaven.

“ I don't even know how to begin describing Mr. Wesley Kiser. I've known him since I can remember. Sharon and I loved him. I visited him some, but not enough. We had phone conversations, but not enough. He was a strong, reserved man that loved Jesus, loved his wife Pearl and loved his children. He didn't quite reach 99 but he almost did. I'm certain he's celebrating with Pearl and he's sporting a new body that doesn't hurt and doesn't age. Life well played my friend. You will be missed.

“ I remember a visit back to Kings Mountain after retirement from pastoring 2nd Baptist for 9 years. I stopped in at a store and rounded an aisle and saw Brother Wesley at the other end. About that time he looked up and spied me and with arms spread wide and as fast as his legs would carry him. We met middle ways for a nice, long, loving, brotherly embrace. He was a precious friend. We will look forward to spending time with him and Sister Pearl in heaven one day. Our prayers and condolences are sent to the family along with our thanks for their sharing Brother and Sister Kiser with us.
